**STANDING COMMITTEES:**

Patrol:

John Annino reported that all the officers had received the necessary training and recertification except for one and that officer would be completed by May 1<sup>st</sup>.

The board reviewed the current pay rates for the officers and boat handlers. The board unanimously agreed that the officers performed very well last season and the cost savings to the LHA for all members returning this season is significant. It was agreed that a minimal pay raise would be in order but it was noted that this was a one time special case and was not to set a precedent.

Motion to approve a one-time \$1/hr pay rate increase for all officers and boat handlers  
Motion: Behuniak              Second: Ahearn              Vote: Unanimous

Water Quality:

Scott Ames reported that testing would resume next month.

Weed Harvester:

No report at this time.

Vessels and Equipment:

The new boat was cleaned on Saturday April 17<sup>th</sup>. The old boat still needs to be cleaned and would most likely be done on May 2<sup>nd</sup> or 8th. The radar gun still needs recalibration. A fire extinguisher, spotlight, and a new first aid kit still need to be purchased. The new boat needs the front light socket repaired. The old boat needs a 12volt accessory outlet, the plastic doors need attention as they flop around, and the shift linkage needs to be adjusted. The radios need to be located and installed. One of the trailers needs a light repaired.

**SPECIAL COMMITTEES:**

No report at this time.

**OLD BUSINESS:**

DEP Communications and Logistics agreement.

Scott Ames reported that no response has been received from the DEP in regards to the letter drafted by Sandy Blanchard.

**NEW BUSINESS:**

The LHA received a check in the amount of \$1,000 from the estate of the late Mutsu Zinsmeister representing her bequest to the LHA. The board agreed that the money should be given back to the community in some form as education or improvements. Some research on Ms. Zinmeister would help determine where the money might be best spent.

The Chairman reported that there was interest in hosting a cancer charity event on the lake. Most likely in the form of a "Swim across the lake" event. There was no action required at this point until a formal request was made.
